

BENJAMIN SAMACOÏTS ETCHEGOIN

MARKETING *Wine Business* EXPORT

BIOGRAPHY

Sociable, rigorous, loyal, interested, dynamic and very good relational customer.
From Jurançon area and fond of wine, I naturally turned to this fascinating world.
After 5 years of studies: in chemistry and a Master Degree in Wine & Spirits Management, I increased my knowledge by taking positions in complementary structures to my diplomas but also in divergent fields of activities. I am 25 years old and ready to pack my bags and put my skills at the disposal of an international structure under a standard contract VIE, VIA.
